

Temecula Valley Republican Women Federated

WHEREAS the Temecula Valley Republican Women Federated recognizes and affirms the integrity of the international borders of these United States and the Constitutional authority and duty of the Federal Government to guard and protect those borders, including the regulation of the numbers and qualifications of immigrants that enter the country; and

WHEREAS the Federal Government has wrongfully neglected its duty to guard and protect these borders, and thus all Americans, from an unprecedented invasion of illegal aliens, and;

WHEREAS the state of Arizona, suffering the brunt of this invasion and the resulting calamitous consequences to its citizens' safety and prosperity, has passed Arizona Senate bill 1070, signed into law by Governor Jan Brewer to become effective July 28, 2010; and

WHEREAS this law enables Arizona Law Enforcement Officers to enforce federal immigration law using federal standards that protect the rights of all citizens, and requires them to do so without violating civil rights and without resorting to racial profiling; and

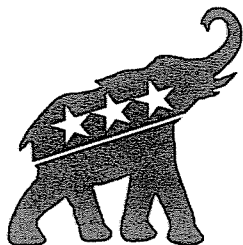

WHEREAS Arizona law SB 1070 does not require new documentation, such as a National ID card, but uses existing identification documentation to establish a presumption of legal status;

THEREFORE, BE IT RESOLVED that the Temecula Valley Republican Women Federated Board of Directors in session on June 9, 2010, voted to stand with the people of Arizona and applauds the State of Arizona and its Governor Jan Brewer for its recent action to protect and defend its citizens, our country, and the sovereignty of both the State of Arizona and the United States of America.
